# PROSTAIDCALGARY

## 2015 Pathfinder's Award Recipient

# Dr. Bryan Donnelly

Join us for an evening to honour renowned Calgary urologist Dr. Bryan Donnelly. Dr. Donnelly is the Co-founder of the Prostate Cancer Centre and a true champion for men's health and PSA Testing: *"We have spent years trying to get men to pay a little more attention to their health and we are gradually making progress. To reverse that to me is senseless."* ~Dr. Donnelly.

The Prostate Cancer Centre supports excellence in the areas of awareness, education, access, diagnosis, treatment, advocacy, and research in hopes that one day we can eliminate prostate cancer.

**PROSTAID Calgary** established the Pathfinder's Award in 2014 to recognize individuals who have contributed significant service to helping men and their families deal with prostate cancer.

**Beverages & Light Refreshments will be served.**

**PROSTAID Calgary**  
**403-455-1916**
